BIBLE Acts 2:42-47 NIV

Everything we love about NC happened because 2 things happened:

1. Someone stepped out in faith
2. Someone gave sacrificially

What is Chapter TWO?

Chapter Two is a 2 year Generosity Initiative...

We're challenging those who call NC home to write three stories together—

1. A Story of Mission & Adventure

Current Operating Budget for 2 years :: \$1.3 million

This about what we've been saying lately is our everyday mission— Meeting people wherever they are, and leading them toward a growing relationship with Jesus Christ.

- Continue to expand our impact with families through MarriedLife and commitment to the Next Generation
- Planning to expand services, both here at Orange and also online
- We want to see both grow and know that we'll need to invest into more training and care in order to lead our teams to the next level.
- To grow opportunities for those experiencing grief, loss, or trauma to find help and healing through counseling and group care.

"The church does not exist for us.

We are the church, and we exist for the world."

— Erwin McManus

2. A Story of Finding Home

- 350-500-seat sanctuary
- Dynamic environments for kids and students
- Space for Groups to meet, for special events
- 7 Day a Week Place to Call Home
- Building Goal: \$2,500,000
- Combination of Gifts and bank financing

3. A Story Beyond Our Walls

- Partnering with our friends in La Libertad, El Salvador, we're hoping to help fulfill a dream to build their first permanent Nutrition center.
- Expand our Gospel impact in South Africa with Africa for Christ
- Stretching our partnerships locally in Columbus, with Young Life, YP, Open Table, and

more

Here's what I need you all to do—

#1 Pray and invest into the JOURNEY.

#2 Pray and ask God to USE YOU & GROW YOUR FAITH.

#3 PRAY for a MIRACLE.

“Lord, I have heard of your fame; I stand in awe of your deeds, Lord.

Repeat them in our day, in our time make them known...”

— Habakkuk 3:2
